

About Desire Ministries, Inc.

Desire Ministries, Inc. was founded in 2006 by Daniel and Kristy Alvarez.

God has given them a vision, that comes with a burning passion, to use horses to help people.

This ministry is dedicated to adopting and purchasing abused, neglected, and unwanted horses in order to use them to counsel people that are broken, as well as, for the general public through horseback riding lessons, camps, and clubs.

The goal of this ministry is to take broken horses and broken people in order to bring them together to find hope and healing through unconditional love.

Each person that is involved in any aspect of this ministry will see that the heart of the ministry is to disciple, encourage, save, inspire, reach, and educate.

With your help Desire Ministries, Inc. will be able to adopt and purchase more horses, and with that will come healing to even more people.
