

Loftmar Stables

Join the fun! Learn about horses! Make a Change!

Does your child love horses? Have they always wanted to learn how to ride? Would they love to be around horses and learn about them?

If you answered "yes" to any of these questions, we have an exciting opportunity for your horse lover to learn about horses and horseback riding. Have them become a part of Loftmar Stables Horse Lovers Club!

Horse Lovers Club is a program created so that students have an opportunity to learn the basics of horseback riding and horsemanship at Loftmar Stables.

Students who participate in this club will not only learn the basics of horseback riding and

horsemanship, but they will also have the chance to read an exciting book written by Valerie Ormond, "Believing in Horses". They will get to meet the author, have their book signed, ask her questions, and meet some of the horses in the book too!

Not only will the club members get to have all of these experiences, but they will also participate in various horse related activities, games, and arts & crafts. They will even have the chance to make a difference in the community!

The Horse Lovers Club members will put together a project that supports two incredible organizations, Desire Ministries and Freedom Hill Horse

Rescue. Desire Ministries is a charitable organization where people help horses and horses help people through education, mentoring and psychotherapy., and Freedom Hill Horse Rescue is a local horse rescue that rescues horses from neglect, abuse, abandonment, and slaughter.

Through this club, students will learn some important life lessons. It is the lessons that are underneath the lessons that are the true value to this program.

Do not let your child miss out on this opportunity to be a part of a wonderful program!

We look forward to seeing you soon!
