

## About Desire Ministries

Desire Ministries, Inc. was founded in 2006 by Daniel and Kristy Alvarez.

God has given them a vision, that comes with a burning passion, to use horses to help people.

This ministry is dedicated to adopting and purchasing abused, neglected, and/or unwanted horses in order to use them to counsel and mentor people, as well as, for horseback riding lessons, camps, and clubs.

The mission of this ministry is to take broken horses and broken people in order to bring them together to find hope and healing through unconditional love.

Each person that is involved in any aspect of this ministry will see that the heart of the ministry is to disciple students, encourage individuals, save horses, inspire others, reach the broken, and educate the general public.

“Broken horses and broken people finding hope and healing through unconditional love.”
